

# Sage 50 Accounts Mobile

## Sage Mobile - Supported devices and operating systems

Sage 50 Mobile provides access to Sage 50 Accounts 2012 using a mobile device. The supported devices and operating systems are listed below.

Note: iTunes states Sage 50 Mobile is compatible with the iPod touch and iPad due to the operating system version. We have not yet fully tested and therefore we currently don't support Sage 50 Mobile on the iPod touch or iPad.
